Dear Mr Knight

We would like to take this opportunity to thank you for your generous gift of £800.00 being funds from a recent industry dinner. Every penny we receive is crucial to our lifesaving work and without supporters like you, we simply couldn't continue.

The RNLI continues to rely on voluntary contributions and legacies for income. It is only through kind gifts such as yours that we are able to provide our volunteer lifeboat crews and beach lifeguards with efficient boats; equipment and training that are needed to save lives at sea.

Last year, on average, our courageous lifeboat crews rescued twenty two lives every day. We launched our service a total of 8,009 times saving 303 lives and rescuing a further 7,412 people. The fact we can't predict how many times we'll be called out, and with the demand on our service continuing to grow, planning for the future is always a challenge.

On behalf of everyone at the RNLI, I would like to say thank you once more, and I hope that you'll support us in the future.

Yours sincerely

Pauline Teivas-White(Mrs)

Dear Mr Knight

Thank you so much for raising money for UNICEF. Your generous donation of £800.00 will go towards UNICEF's work with children throughout the world. Please accept this letter by way of a receipt, and pass on our thanks to everyone in the company who contributed to this gift.

For over 60 years UNICEF has been the world's leader for children, working on the ground in more than 150 countries and territories to help children survive and thrive, from early childhood through adolescence. Working with local communities and governments, we ensure that every child is helped to reach their full potential, as individuals and as members of their communities. Through our long term and emergency programmes for healthcare, education and rights issues, we offer care and protection for all children at risk.

Your gift could help to provide clean water to children in communities that previously had to walk miles to the nearest water hole, or go towards building a school and providing learning materials for children who have little access to education facilities. It could also help to provide basic medical supplies and vaccines that will protect children from disease.

Your support means that somewhere in the world, children's lives will be made a little safer and happier. Thank you again for enabling us to improve their lives today and their prospects for tomorrow.

On behalf of these children, and all of us at UNICEF, thank you so much for your valuable contribution.

If you would like to know more about UNICEF's work please visit www.unicef.org.uk or call our Helpdesk on 0844 801 2414.
